

iEARN Holiday Card Exchange Project

Students of Al Hussan International School participated in iEARN Holiday Card Exchange Project. Under the supervision of Mrs. Hadeer, Mrs. Yasmine and Mrs. Rasha and Mrs. Saira primary and middle school students completed their cards. They will be posted by mail to seven countries, Japan, Thailand, Belarus, Russia, Mexico, Taiwan and Canada.

Through the exchange of cards, students get to share the details about the festivals being celebrated in their countries. Our students drew different drawings related to Eid-ul-Fitr, Eid-ul-Adha and Hajj. They have written some information about these festivals inside the cards.

They are looking forward to receive cards from partner countries. As for now, we have already received cards from Japan.
