

Community Helpers' Day

Community Helpers' Day was organized by counselling department in AHISK Girls Section on 3rd February 2016 to acknowledge the efforts of our female workers in the school. The staff was sent a beautiful customized invitation card designed by one of our students, Nada Kawde.

At 12:30 p.m. the helpers were welcome and received by Mrs. Majida and Mrs. Eatidal.

Mrs. Rashid Al Hussan greeted all of them warmly by presenting the flowers. They all seated comfortably, Mrs. Reham prepared a heart touching video about helpers thanking them for their hard work. Later, Mrs. Rashid, Mrs. Majida and Mrs. Eatidal were requested to give away all the presents collected for them from students and faculty of the school.

Finally, they were invited to the grand feast that was prepared by all the students with lots of warmth and love. Many parents sent sweet and savoury dishes for them to enjoy.

All the helpers has tears of gratitude in their eyes. They were surprised and delighted at the same time.
